

**Pray each day for Muncy Baptist Church...**

*Lord, I come before You this day, giving myself to You.*

*I pray that today, I would be filled with the Holy Spirit, and that You would lead me to live out the Gospel message with my lips and with my life*

*I pray you would give me opportunities this day to share the love and hope of Jesus Christ with others, and that You would teach me what to say and what to do.*

*I pray that You will guide our pastors as they seek to provide leadership and guidance for our church.*

*I pray that You would use our church to build the Kingdom of God in Muncy, and that Your blessing would fall on us today as we seek to do Your will and give You glory. In Jesus' Name, AMEN.*
